

Noosa Parks Association Inc.
Greening Noosa Programme 2019

In March, June and November, we will continue to look after The Noosa Parks Association Park on Noosa Spit, and encourage all NPA members to participate in this activity. Being the long term custodians of this part of Noosa Spit helps us resist ever present pressures to expand Hastings Street car parking along the Spit.

Apart from these three work days, there are other opportunities for NPA members to contribute by weeding along the coastal track in Noosa National Park on the third Wednesday of each month. As well, on the second Thursday of the month you are encouraged to join the weeding near Doggie Beach, further down Noosa Spit, or at an alternative site which Jill Campbell will nominate. Call her on 0412359500 or email jandjili@bigpond.net.au to go onto the reminder list.

Work mornings begin around 8 and finish at 10.30, with a cup of tea or coffee; in summer Jill starts earlier at 7.30. Everyone is most welcome, and encouraged to bring their own weeding tools and gardening gloves.

February	THURSDAY 14 - Doggie Beach
March	SUNDAY 10 - NOOSA PARKS ASSOCIATION PARK THURSDAY 14 - Doggie Beach or alternative WEDNESDAY 20 - Noosa National Park
