

Noosa Parks Association Inc.
Greening Noosa Programme 2020

In March, July and November, we will continue to look after The Noosa Parks Association Park on Noosa Spit, and encourage all NPA members to participate in this activity. Being the long term custodians of this part of Noosa Spit helps us resist ever present pressures to expand Hastings Street car parking along the Spit.

Apart from these three work days, there are other opportunities for NPA members to contribute to bush rehabilitation at Doggie Beach, further down Noosa Spit, and at Laguna Lookout, as listed below.

As well, Sonia MacDonald organizes members to weed along the coastal track in Noosa National Park on the third Wednesday of each month. Contact Sonia on soniamacdonald@ozemail.com.au.

All these four work sites are world-class, with beautiful views to distract and a choice of sunny or shadey work conditions. Plus a swim afterwards. Work mornings begin around 8 and finish at 10.30, usually with a cup of tea or coffee. Everyone is most welcome, and encouraged to bring their own weeding tools and gardening gloves.

February	THURSDAY 13 - Doggie Beach WEDNESDAY 19 - Noosa National Park
March	SUNDAY 8 - NOOSA PARKS ASSOCIATION PARK THURSDAY 12 - Doggie Beach WEDNESDAY 18 - Noosa National Park
