

2022

*Noosa Parks Association Inc.*

In March, July and November, we will continue to look after The Noosa Parks Association Park on Noosa Spit, and encourage all NPA members to participate in this activity. Being the long term custodians of this part of Noosa Spit helps us resist ever present pressures to expand Hastings Street car parking along the Spit.

Apart from these three work days, there are other opportunities for NPA members to contribute to bush rehabilitation in the area. As well, Sonia MacDonald organizes members to weed along the coastal track in Noosa National Park on the third Wednesday of each month. Contact Sonia on [soniamacdonald@ozemail.com.au](mailto:soniamacdonald@ozemail.com.au).

All these work sites are world-class, with beautiful views to distract and a choice of sunny or shady work conditions. Plus the opportunity of a swim afterwards. Work mornings begin around 8 and finish at 10.30, usually with a cup of tea or coffee. Everyone is most welcome, and encouraged to bring their own weeding tools and gardening gloves.

February WEDNESDAY 16 - Noosa National Park

March **SUNDAY 13 - NOOSA PARKS ASSOCIATION PARK**  
WEDNESDAY 16 - Noosa National Park

April WEDNESDAY 20 - Noosa National Park
